TOWN CLERK'S REPORT

REPORT OF THE ANNUAL TOWN MEETING
March 7, 1959

The meeting was opened at 2:15 p.m. by Moderator Robert B. James.

The invocation was given by Rev. J. David Townsend.

The number of voters present as checked on the incoming voting lists was 364.

ARTICLE 1. VOTED: that the Selectmen be and hereby are authorized and directed to appoint all Town Officers not required to be elected by ballot.

ARTICLE 2. VOTED: that the reports of the various Town Officers as printed in the Annual Town Report for the year 1958 be and hereby are accepted.

ARTICLE 3. To hear the report of any committee heretofore chosen and act thereon.

High School Facilities Committee

VOTED: that the report of the High School Facilities Committee be accepted and that the Committee be continued.

Committee to Survey the Administrative Functioning of the Various Town Offices, Boards and Departments

VOTED: that the report of this Committee, appointed under Article 44 of the March Meeting of 1957 be continued and that the Moderator be and hereby is directed to appoint four additional members to this Committee.

South Shore Regional Vocational High School Planning Board Committee

VOTED: that the report of the South Shore Regional Vocational High School Planning Board Committee be accepted and that the Committee be continued.

Committee to Study, Investigate and Consider the Subject of Dredging, Improvement and Enlargement of Cohasset Harbor

VOTED: that the report of the Committee to Study, Investigate and Consider the Subject of Dredging Improvement and Enlargement of Cohasset Harbor be accepted and that the Committee be continued.

Report of Old Colony Transportation Committee

VOTED: that the report of the Old Colony Transportation Committee be accepted and that the Committee be continued.

Resolution

Resolved: That the Selectmen are instructed to advise His Excellency the Governor and our Senator and Representative in the General Court that the Town of Cohasset favors in principle the proposals presented in the First Report of the Old Colony Area Transportation Commission and to urge that hearings on the proposed Act providing for the creation of a South Shore Transit District be scheduled at once before the appropriate legislative committees in order that some decision may be reached prior to cessation of the present service on the Old Colony Division of the New Haven Railroad.

VOTED: to accept the Resolution.

Report of Billboards and Signs Committee

VOTED: that the report of the Billboards and Signs Committee be accepted and that the Committee be discharged with a vote of thanks.

Report of the By-Law Committee

VOTED: that the report of the By-Law Committee be accepted and that the Committee be continued.

Beechwood Cemetery Committee

VOTED: that the report of the Beechwood Cemetery Committee be accepted and that the Committee be continued.

Incinerator Committee

VOTED: that the report of the Incinerator Committee be accepted and that the Committee be continued.

ARTICLE 4. VOTED: that the report and recommendations of the Personnel Committee be accepted and the Personnel Classification Compensation Plan By-Law and the Schedule accompanying the same adopted at the 1958 Annual Town Meeting be and hereby is amended by adding to Section 23 entitled "Payments for Hours Worked Outside of Regularly Scheduled Hours" the following paragraph:

"Overtime for the Fire Department Personnel, who are presently paid on an overtime basis under the Plan, will be paid at a rate determined by dividing their regular weekly rate of pay by 40 hours", and by inserting and substituting Schedule 1, 2 and 3 as printed in the Warrant in substitution for the Schedule adopted at the aforesaid Meeting.

ARTICLE 5. VOTED: that the report and recommendations of the Personnel Committee with respect to the salaries of the Town

Elected Officials be and hereby are accepted, and the following Salary Schedule for Elected Officials be and hereby is adopted and substituted for the Schedule adopted at the 1958 Annual Town Meeting:

Salary Schedule Elected Officials

Job Title	*Rate of Pay*
Tree Warden	$1,500.00
Town Clerk	1,660.00
Clerk of Board of Registrars	25.00

ARTICLE 7. VOTED: that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1959, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

ARTICLE 8. VOTED: that the sum of $871.08 be and hereby is appropriated from available cash in the Treasury being the unexpended balance of the Dog Fund received from the County for dog licenses, in accordance with Chapter 140, Section 172 of the General Laws, to be expended for the support of the Public Schools.

ARTICLE 9. VOTED: that there be and hereby is appropriated from available cash in the Treasury for the use of the Assessors in fixing the tax rate for the ensuing year such sum not exceeding $50,000.00 as the Assessors in their descretion may determine advisable.

ARTICLE 10. VOTED: that the sum of $15,000.00 hereby is appropriated from Available Funds in the Treasury (Excess and Deficiency) for the purpose of a Reserve Fund.

ARTICLE 11. VOTED: that the sum of $800.00 be and hereby is raised and appropriated for maintaining during the ensuing year, the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with Chapter 112 of the Acts of 1931.

ARTICLE 12. VOTED: that the Town of Cohasset join in a Mosquito Control Project in conjunction with the City of Quincy and the Towns of Hingham, Braintree, Hull, Weymouth and Milton or any combination of them in accordance with and authorized by the provisions of Chapter 252 of the General Laws as amended and the sum of $3,700.00 be and hereby is raised and appropriated for the purpose of paying Cohasset's share thereof, the funds to be paid to the Massachusetts Reclamation Board in the discretion of the Board of Selectmen if sufficient other municipalities join to justify such action.

ARTICLE 13. VOTED: that the sum of $10,000.00 be and hereby is appropriated from free cash in the Treasury for the Stabilization Fund.

ARTICLE 14. VOTED: that the sum of $5,000.00 be and hereby is appropriated from free cash in the Treasury for the dredging, improvement and enlargement of Cohasset Harbor; to be expended under the direction of the Selectmen only if, as and when other funds contributed by the Commonwealth and/or Federal Government become available.

ARTICLE 15. VOTED: that the Town assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended by Chapters 516 and 524, Acts of 1950, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts, for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores and shores along a public beach outside of Boston Harbor, including the Merrimack and Connecticut Rivers, in accordance with Section 11 of Chapter 91 of the General Laws, and

that the Selectmen be and hereby are authorized to execute and deliver a bond of indemnity therefor to the Commonwealth.

ARTICLE 16. VOTED: that the Town accept and authorize the payment to the Commonwealth of Massachusetts of such amounts as have been received by the Town of Cohasset from private individuals or institutions for or on account of contribution towards repairs or improvements made or to be made to the sea walls and shores of Cohasset Harbor by the Department of Public Works of the Commonwealth of Massachusetts in connection with the dredging and improvement of said harbor heretofore voted, provided however, that such acceptance and payment be conditional upon the furnishing by any such donor or donors of a bond, satisfactory to the Selectmen, conditioned to hold the Town harmless against liability including any liability which the Town assumed in its Bond to the Commonwealth.

ARTICLE 17. VOTED: that the sum of $6,595.28 be and hereby is transferred from funds received under the provisions of Chapter 718 of the Acts of 1956 for the reconstruction and resurfacing and installation of necessary drainage, of a portion of Atlantic Avenue.

ARTICLE 18. VOTED: that the sum of $3,000.00 be and hereby is transferred from funds received under the provisions of Chapter 718 of the Acts of 1956 for the reconstruction and resurfacing and installation of necessary drainage, of a portion of Reservoir Road.

ARTICLE 19. VOTED: that the sum of $5,000.00 be and hereby is transferred from funds received under the provisions of Chapter 718 of the Acts of 1956 for the reconstruction and resurfacing and installation of necessary drainage of a portion of Summer Street.

ARTICLE 20. VOTED: that the sum of $750.00 be and hereby is appropriated from the proceeds of the sale of Veterans' Lots (Sale of Real Estate Fund; Town Farm — Veterans' Housing) for the reconstruction and resurfacing and installation of necessary drainage, of that portion of Clay Spring Road adjacent to near or approaching Reservoir Road.

ARTICLE 21. VOTED: that the sum of $3,000.00 be and hereby is raised and appropriated for maintenance of highways under Chapter 90 of the General Laws and further that reimbursements from the State and County be restored upon their receipt to the Excess and Deficiency Account in the Treasury.

ARTICLE 22. VOTED: that the sum of $2,500.00 be appropriated to meet the Town's share of the cost of Chapter 90 Highway Construction, and to meet said appropriation the sum of $2,500.00 be transferred from the proceeds received from the State under the provisions of Chapter 718 of the Acts of 1956, and that, in addition, the sum of $7,500.00 be appropriated and transferred from free cash in

the Treasury to meet the State's and County's shares of the cost of the work, the reimbursements from the State and County to be restored, upon their receipt, to the Excess and Deficiency Account in the Treasury.

ARTICLE 23. VOTED: that the sum of $1,500.00 be and hereby is raised and appropriated for reconstruction and resurfacing of existing sidewalks in need thereof.

ARTICLE 24. VOTED: that the sum of $1,175.00 be and hereby is raised and appropriated for the installation and placing of curbing on the border of the Town Common on Highland Avenue for a distance of about 430 feet from William B. Long Road to Beach Street, or any part or parts thereof, to be expended under the direction of the Selectmen.

ARTICLE 25. VOTED: that the sum of $5,800.00 be and hereby is appropriated and transferred from the Sale of Cemetery Lots Fund: — Woodside for the improvement and enlargement of Woodside Cemetery, including the cutting of trees, removal of stumps, laying out of lots, constructing paths and avenues, and embellishing the grounds, and engineering services and contingencies in connection therewith.

ARTICLE 26. VOTED: that the sum of $1,000.00 being the proceeds of the sale in 1958 of the Water Department real estate on and off Ripley Road, be and hereby is appropriated and applied towards the indebtedness incurred in acquiring Water Department property including said real estate.

ARTICLE 27. VOTED: that the Selectmen be and hereby are authorized to acquire by purchase and/or to take by eminent domain for cemetery purposes and the enlargement of Woodside Cemetery land of the Trustees of Reservations of Massachusetts for $10.00 and the exchange of an equal amount of land to be conveyed by the Town to said Trustees situated on the southerly side of Chief Justice Cushing Way, approximately 4.6 acres of land located on the northerly side of Chief Justice Cushing Way adjacent to Woodside Cemetery and the dividing line between Hingham and Cohasset bounded:

Northeasterly by land of the Town known as "Woodside Cemetery" 425 feet more or less,

Southerly by Chief Justice Cushing Way 990 feet more or less,

Northwesterly by other land of said Trustees on the dividing line of the Town of Hingham, Plymouth County, 960 feet more or less,

more particularly shown on "Plan drawn by Lewis W. Perkins & Son, Eng'rs.," dated February 20, 1959, on file in the Town Clerk's office; that the sum of $10.00 be and hereby is appropriated and

transferred from Sale of Cemetery Lots Fund — Woodside for the acquiring thereof and damages awarded as such.

ARTICLE 28. VOTED: that the Selectmen be and hereby are authorized and instructed to sell, convey and transfer to the Trustees of Reservations of Massachusetts for $10.00 or such other larger amount as said Selectmen may determine proper, including the exchange and conveyance by said Trustees of Reservations to the Town of an equal area of land for the enlargement of Woodside Cemetery, approximately 4.6 acres of land situated on the northerly side of Chief Justice Cushing Way and voted to be acquired in the preceding article of this Warrant, approximately 4.6 acres of land situated on the southerly side of Chief Justice Cushing Way, said land being bounded:

Northerly by other land of the Town 860 feet more or less,

Southwesterly by other land of said Trustees 370 feet more or less,

Southeasterly by land now or formerly of Ella L. Bates 445 feet more or less, and

Southeasterly again by other land of said Trustees 400 feet more or less and by land now or formerly of Charles B. Worrick 30 feet more or less,

more particularly shown on "Plan drawn by Lewis W. Perkins & Son, Eng'rs.," dated February 20, 1959 on file in the Town Clerk's office; and to execute, acknowledge, seal with the Town Seal and deliver in the Town's name and behalf a deed of conveyance therefor, and the land thus sold to be placed in the "Residence B District" of the Zoning By-Law and Zoning Map and subject to the regulations thereto.

ARTICLE 29. VOTED: that the Selectmen be and hereby are authorized to institute or cause to be instituted, court proceedings to secure a court decree, appropriate for the acquiring of Beechwood Cemetery and the real and personal property of the Beechwood Cemetery Corporation or Association, under the provisions of Chapter 370 of the Acts of 1952; and further that the sum of $700.00 be and hereby is raised and appropriated for expenses thereof in connection therewith.

ARTICLES 30 and 32. MOVED: that Articles 30 and 32 of this Warrant be acted upon together; that the Water Commissioners and/or Selectmen be and hereby are authorized to acquire by purchase or taking by eminent domain covenants, restrictive rights and protective agreements in and to a strip of land one hundred feet in width and distant from the shore line at high water mark of Lily Pond for the protection of the Water Supply, and to prevent contamination and pollution of said pond and the waters thereof, and according to and under regulations of said Commissioners; that as consideration therefor and to take effect only upon the acquisition as aforesaid, said Select-

men are further authorized to release unto Aaron J. Rosenberg and Joseph F. Levine all rights, title and interest of the Town in and to the old ancient road leading from King Street in a general southwesterly direction as well as in that portion of Old King Street extending northwesterly from the northwesterly side of Pond Street near the Pond past the Fletcher residence so-called to a point near the junction of new King Street and old King Street, and in a triangular parcel of land bounded:

Southeasterly by Pond Street

Southwesterly by old King Street, and

Northeasterly by a line parallel with and distant seventy feet southwesterly of the present northeasterly side line of new King Street;

that said Water Commissioners and/or Selectmen be and hereby are further authorized

(a) to take any action necessary or expedient in carrying out the authority heretofore voted; and

(b) to contract in the Town's name and behalf therefor and with respect thereto, and to execute, seal with the Town Seal, acknowledge and deliver any and all instruments necessary or expedient therefor;

and further that said old ancient road leading from King Street in a general southwesterly direction as well as that portion of old King Street described as aforesaid be and hereby is discontinued, subject, however, in the case of the old ancient way, to the condition precedent

upon the effective acquisition as aforesaid to take effect simultaneously therewith, that said grantees will hold the Town harmless from all damages from persons having legal rights therein as a result of said discontinuance and/or furnish in substitution therefor a right of way to persons having or requiring means of ingress and egress by necessity to and from their lands; and further that the sum of $5.00 be appropriated from Water Department Revenue for the purchase thereof or as damages awarded as such for such taking, and the further sum of $895.00 be and hereby is appropriated from Water Department Revenue for expenses in connection therewith; and further that all action heretofore authorized and encompassed herein be subject to the approval of the Board of Selectmen and Town Counsel.

VOTED, by a hand vote, to accept the motion under Article 30 and 32 as follows: YES — 220, NO — 11.

ARTICLE 31. VOTED: that the Selectmen be and hereby are advised to lay out, alter and relocate King Stret 70 feet from Pond Street northwesterly adjoining the Fletcher property, so-called, assessed to Messrs. Rosenberg and Levine, at or near Lily Pond.

ARTICLE 33. VOTED: that the sum of $3,500.00 be and hereby is raised and appropriated for the use of the Planning Board in contracting with the Massachusetts Department of Commerce for the preparation of Planning Studies of the Town, such sum to be expended only if a like sum is provided by the Federal Government under Section 701 of Title VII of the Housing Act of 1954 and additions thereto or amendments thereof.

ARTICLE 34. MOVED: that the Zoning By-Law and the Zoning Map of the Town be and hereby are amended to carry out the general purposes of creating a new Residence district classification subject to the same use provisions as Residence A and B Districts to be known as Residence C District in which the minimum lot area will be 40,000 square feet and the minimum lot frontage or width of lot at construction line will be 150 feet and the Zoning Map be and hereby is modified by placing certain areas of the Town in Residence C District; and the following changes be made in the Zoning By-Law to carry out the above general purpose:

1. In SECTION 1 A. Establishment of Districts.
   (a) Strike out the word "three" and insert in its place the word "four"
   (b) Insert after "2. Residence B. District" the words: 3. Residence C District
   (c) Change the figure "3" preceding the words "Business District" to the figure "4"

   So that Section 1. Districts A. will read as follows: (changes underlined)

   A. Establishment of Districts. For the purposes of this By-Law, the Town of Cohasset is hereby divided into four districts to be known as:
      1. Residence A. District
      2. Residence B. District
      3. Residence C. District

      ———————————

      4. Business District

2. IN SECTION 3. AREA REGULATIONS
   (a) Change line one so that it will read: "A. Residence Districts. In residence A, B, and C districts, there shall be ....."
   (b) In the table of minimum lot areas and minimum lot frontages, insert after and below the line: "Residence B. 20,000 square feet 125 feet" the words and figures "Residence C 40,000 square feet 150 feet" so that the amended portion of SECTION 3 AREA REGULATIONS will read as follows: (changes underlined)

A. Residence Districts. In residence A, B and C districts there shall be provided for each dwelling hereafter erected on any lot the following minimum lot areas, and either minimum lot frontages or width of lot at construction line, respectively:

	Minimum Lot Area	Minimum Lot Frontage or Width of Lot at Construction Line
Residence A.	12,000 square feet	100 feet
Residence B.	20,000 square feet	125 feet
Residence C.	40,000 square feet	150 feet

3. In SECTION 4. USE PROVISIONS

(a) Change A, Entitled "Residence A and B Districts" to read: "A. Residence A, B and C Districts In Residence A, B and C districts only the following uses are permitted." (changes underlined)

4. Amend and modify the Zoning Map by placing the following areas of the Town in Residence C District.

(a) All that area of the Town now forming a part of the United States Naval Ammunition Depot Annex in the Western portion of the Town adjacent to the Town of Hingham and the Town of Scituate. Said area being more particularly shown on Plan drawn by Lewis W. Perkins and Son, Eng'rs., dated February 11, 1959, on file in the Town Clerk's Office.

Voters were counted at this point. There were only 195 present and not enough for a quorum.

VOTED: at 5:58 p.m. that this meeting be adjourned until March 9, 1959 at 8:00 p.m.

Monday, March 9, 1959

The Moderator opened the meeting at 8:15 p.m. The number of voters as checked on the incoming voting lists was 290.

MOTION on Article 34 was again read and put before the meeting.

VOTED: by a hand vote, to accept the motion.
YES — 220, NO — 17

MOVED AND VOTED: That a committee of seven citizens to be appointed by the Moderator be and hereby is established, one member to be chosen from the Planning Board, one member to be chosen from the Board of Selectmen, to study, investigate and consider the best interests of the Town with respect to that area of the Town located in the northwesterly portion thereof adjacent to the Town of Hingham and the Town of Scituate now forming a part of the United

States Naval Ammunition Depot Annex which the United States Government contemplates to inactivate, abandon and dispose of, including the purchase by the Town of all or any portion of the same for industrial purposes or otherwise, said committee to report its findings and recommendations at a future Town Meeting, and further that said committee collaborate with the Board of Selectmen at any time in case of imminency.

ARTICLE 35. VOTED: that Chapter 60 of the Acts of 1959 which provides that the positions of Call Firemen in the Town of Cohasset shall not be subject to the Civil Service Laws and Rules with respect to appointments made hereafter be and hereby is accepted.

ARTICLE 36. VOTED: to indefinitely postpone this Article. (To adopt Chapter 180, Section 17-B)

ARTICLE 37. VOTED: that the Town's By-Laws be and hereby are amended by adopting and adding under Article 16, entitled "POLICE REGULATIONS" the following By-Law, to be designated as a Section in the next numerical sequence:—

"Sec. No person shall engage in the act of swimming from nor in the act of swimming, leap, jump or dive from the abutments, structures, supports, arches, girders, foundation or any other part of any of the following bridges in the Town: Cunningham's Bridge, so-called on Atlantic Avenue; Mill Bridge, so-called on Border Street; Cat Dam Bridge, so-called on Nichols Road."

ARTICLE 38. VOTED: that the sum of $9,500.00 be and hereby is raised and appropriated for the purchase of a tractor with cab, front end loader, back hoe and snow bucket attachments with equipment for the use of the Highway Department, and further that invitations or advertisements for bids, and specifications for purchase, shall not insofar as feasible, limit bidders to any particular make or manufacture.

ARTICLE 39. VOTED: that the sum of $1,900.00 be and hereby is raised and appropriated for the purchase of a new ½ ton pickup truck with equipment for the use of the Tree Department, and the sale, turn-in or trade of the present 1954 Studebaker truck presently used by said Department in connection therewith and in part payment therefor, be and hereby is authorized, and further that invitations or advertisements for bids and specifications for purchase, shall not insofar as feasible, limit bidders to any particular make or manufacture.

ARTICLE 40. VOTED: that the sum of $2,450.00 be and hereby is raised and appropriated for the purchase of a new cruising car with equipment for the use of the Police Department, and the sale, turn-in or trade of the present 1957 cruising car now in use by said Department in connection therewith and in part payment therefor

be and hereby is authorized, and further that invitations or advertisements for bids and specifications for purchase shall not, insofar as feasible, limit bidders to any particular make or manufacture.

ARTICLE 41. VOTED: that this Article be indefinitely postponed. (Purchase of a new fire engine)

ARTICLE 42. VOTED: that the sum of $750.00 be and hereby is raised and appropriated for the purchase of two inhalation and resuscitation machines with aspirators for use by the Fire Department.

ARTICLE 43. VOTED: that the Committee appointed under Article 3 of the Warrant for the 1957 Annual Town Meeting and established and enlarged under Article 37 of the Warrant for the 1958 Annual Town Meeting be continued in office to further study, investigate and consider, with the aid of and in collaboration with the Planning Board and its professional consultant, the subject of accommodations for the Fire Department and Police Department and a Police Department Building and a Fire Department Building including the feasibility of separate buildings or a joint building including the housing needs of the Civil Defense Department to be located in either, and a site or sites for same, with full power and authority to engage an architect and such other consultants or engineers as may be necessary or advisable, and to prepare preliminary plans and estimates of cost, said Committee to report its findings and recommendations with suitable articles for insertion in the Town Warrant to accomplish such recommendations at a future Town Meeting; and further that the unexpended balance of $5,000.00 appropriated under Article 37 of the Warrant for the 1958 Annual Town Meeting be reappropriated and transferred for the use of said Committee for said purposes and to defray expenses thereof.

ARTICLE 44. VOTED: that the sum of $2,050.00 be and hereby is raised and appropriated for the Town's proportion of the cost of the control of insect life in Strait's Pond, as advised by the State Reclamation Board and as provided by Chapter 557 of the Acts of 1955 as amended by Chapter 327 of the Acts of 1956, provided the Town of Hull joins in said project.

ARTICLE 45. VOTED: that the sum of $900.00 be and hereby is raised and appropriated for the use of the Incinerator Committee to pay Cohasset's proportionate share of the cost of an engineering survey to be made jointly for the Towns of Cohasset, Hingham, Hull and Weymouth, to determine the costs of collection and incineration of refuse and garbage with a view toward determining the costs of collection and incineration of refuse and garbage with a view toward determining the possibility of Joint action by Cohasset, Hingham, Hull and Weymouth, under Chapter 642 of the Acts of 1958, to be expended only if, as and when the said Towns of Hingham, Hull and Wey-

mouth appropriate their proportionate shares for such survey, and provided further that evidence of such other appropriations by said other towns is filed with the Town Accountant.

ARTICLE 46. VOTED: that the sum of $790.00 be and hereby is raised and appropriated for playground and recreation purposes and to establish facilities and programs therefor, to be expended by the Playground Commission for activities in areas of the Town including the Beechwood section.

ARTICLE 47. VOTED: that the sum of $5,500.00 be and hereby is raised and appropriated in the current year's tax levy, and the unexpended balance of $2,450.00 appropriated under Article 42 of the Warrant for the 1958 Annual Town Meeting reappropriated and transferred, making a total of $8,000.00 for completely resurfacing and equipping of the tennis courts at Milliken-Bancroft Field, the expenditure to be made under the supervision of the Recreation Commission.

ARTICLE 48. VOTED: that the sum of $46.50 be and hereby is raised and appropriated for the payment of the following unpaid bill of 1957 incurred for the North Cohasset Playground:

Edward B. McKay $46.50

At 10:15 p.m. a motion was voted that this meeting be dissolved.

REPORT OF THE BOARD OF REGISTRARS

Number of registered voters on January 1, 1959	3118
Removed from voting list because of removal to other towns, death and marriage	205
	2913
Added to voting list by registration	66
Total number of registered voters on January 1, 1960	2979

ENROLLED TOTALS

Republicans	1451
Democrats	204
Unenrolled	1324

Any female who has married during the year must re-register in her married name as her name is automatically removed from the voting list on January 1st following her marriage.

Any resident not listed in the Census taken by the Police Department should inform the registrars.

Meetings for the registration of voters are held at stated times during the year. Notices for these meetings are posted in the Post Offices of the Town and in other public buildings.

CLARENCE M. GRASSIE, Chairman

REPORT OF THE SPECIAL TOWN MEETING

December 28, 1959

The number of voters present as checked on the incoming voting lists was 241.

The meeting was opened at 8:10 p.m. by Moderator Robert B. James.

ARTICLE 1. Voted that the sum of $10,000.00 be and hereby is appropriated from available funds in the Treasury for the dredging, enlargement and improvement of Cohasset Harbor to be used in conjunction with the sum of $5,000 heretofore appropriated by the Town and sums to be contributed by the Federal Government and Commonwealth of $215,000 and $15,000 respectively for said purpose and further that the Selectmen be and hereby are authorized to execute and deliver to the United States a release from all claims for damages attributable to the work of improvement, together with such other instruments in such form as may be required in the premises and give assurances satisfactory to the Secretary of War that there will be made available to public use on equal and reasonable terms a wharf and other landing facilities.

ARTICLE 2. Voted that the Town assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended by Chapters 516 and 524, Acts of 1950, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts, for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores and shores along a public beach outside of Boston Harbor, including the Merrimack and Connecticut Rivers, in accordance with Section 11 of Chapter 91 of the General Laws, and that the Selectmen be and hereby are authorized to execute and deliver a bond of indemnity therefor to the Commonwealth.

At 8:20 p.m., a motion was voted unanimously that this meeting be dissolved.

CHARLES A. MARKS, Town Clerk

VITAL STATISTICS

Records of Birth, Marriages and Deaths Recorded in 1959

Births

Total number of births recorded was one hundred and nineteen, of which fifty were delayed returns and corrections of past years. Of the sixty-nine born in the year 1959, all the parents were residents of Cohasset. There were thirty-eight males and thirty-one females.

PARENTS, BE SURE TO RECORD THE BIRTH OF YOUR CHILD WITH GIVEN NAME IN FULL

"Parents, within forty days after the birth of a child and every householder, within forty days after a birth in his house, shall cause notice thereof to be given to the Clerk of the Town where such child in born." — General Laws, Chapter 46, Section 6.

Many times returns are made by doctors and hospitals before a child has been named. Make certain your child's name is recorded.

SOME OF THE REASONS WHY BIRTHS SHOULD BE RECORDED

To establish identity; to prove nationality; to prove legitimacy; to show when the child has a right to enter school; to show when the child has the right to seek employment under the child labor laws; to establish the right of inheritance of property; to establish liability to military duty, as well as exemption therefrom; to establish the right to vote; to qualify to hold title to and to buy and sell real estate; to establish the right to public office, to prove the age at which the marriage contract may be entered into; and to make possible statistical studies of the health conditions.

Your co-operation to the end that all births may be properly recorded will be greatly appreciated.

Marriages

Total number of marriages was fifty-three, including those where both parties were non-residents of Cohasset. Twenty-nine marriages were solemnized in Cohasset during the current year.

Deaths

Total number of deaths was sixty-four, including residents of Cohasset who died elsewhere and non-residents who died in Cohasset. Of the fifty-three who were residents of Cohasset, twenty-three were males and thirty were females. There were two delayed returns of death, one male and one female.

REPORT OF THE BOARD OF SELECTMEN

The Board of Selectmen offer to the citizens of Cohasset the following report:

The following projects under Selectmen's supervision have been completed:

1. State contract for dredging the Harbor, and the Yacht Basin in Bailey's Creek.
2. Contract for improvement of Ripley Road under Chapter 90 has been signed by the State and the Board of Selectmen, and the corrective drainage is now under construction.
3. The preparation for the enlargement of Woodside Cemetery is under way, and the land has been cleared of trees and stumps and made ready for the engineering survey for additional lots.
4. Sidewalks have been improved to the amount appropriated.
5. Curbing has been installed on Highland Avenue, bordering on the Common.
6. In co-operation with the Town of Hull, the project for the Control of Insect life in Straits Pond has been satisfactory.
7. The Chapter 90 Contract for a new dam, known as Cat Dam on Nichols Road, was completed.

A Special Town Meeting was called on December 28, 1959 to provide funds to supplement Federal and State funds for the Federal project to enlarge the Harbor. It is hoped that this work will be approved by the Army Engineers in Washington.

The financial Condition of the Town is sound. All buildings are in good repair and covered by insurance. Contracts for gasoline and fuel oil were found to be a saving and were renewed.

NORMAN C. CARD, Chairman

REPORT OF THE POLICE DEPARTMENT

In compliance with the provisions of Article 3, Section 3 of the By-Laws, I have the honor to submit a report of the work of the Cohasset Police Department for the year ending December 31, 1959.

ARREST REPORT

	Males	Females	Total
Breaking and entering building, nighttime and larceny	6		6
Breaking and entering building, nighttime with intent to commit larceny	3		3
Breaking and entering building, daytime and larceny	3		3
Being a parent of neglected children	1		1

DISPOSITION OF CASES

Adjudicated delinquent by the Court	2
Arrested on warrant	6
Arrested without warrant	41
Summoned by Court	3
Released, Chapter 272, Section 45, General Laws Ter. Ed.	19
Held for trial	43
Guilty	33
Not Guilty	2

Filed by order of the Court	13
Dismissed for want of prosecution	1
Probation	2
Suspended sentence	1
Turned over to other police departments and state institutions	5
Parking violations, Chapter 90, Section 20A filed with Court	56
Residents	16
Non-residents	90
Total fines	$426.00

SUMMARY OF WORK DONE BY THE DEPARTMENT

Accidents investigated, automobiles	178
Buildings found open and locked by the police	470
Calls for inhalator	9
Cars stopped and warned for violations	234
Cars tagged for improper parking	880
Complaints received at headquarters and investigated by this department	3,875
Defects in streets reported to Highway Department	165
Dogs injured by automobiles	12
Dogs killed by automobiles	9
Duty calls from boxes	1,788
Fire alarms answered	49
General orders issued to department	41
Hackney licenses issued	4
Hackney operator licenses issued	13
Investigations made for Selectmen on dog complaints	5
Licenses suspended for improper operation of motor vehicles	51
Licenses revoked for improper operation of motor vehicles	8
Mileage of patrol cars	70,320
Mileage of ambulance	13,835
Number of doors on business establishments tried at least twice nightly	340
Number of gasoline pumps checked nightly	28
Number of days spent in court by officers	141
Owners of dogs listed	618
Oxygen calls	19
Parking permits issued to Cohasset residents for parking area at Sandy Beach	2,121
Parking permits issued (temporary guests) for parking area at Sandy Beach	631
Permits to carry firearms issued	45
Permits to perform work on the Lord's Day issued	95
Permits to solicit issued	13

Persons listed by Police Department, Chapter 440, Acts of 1938:		
Males	1,625	
Females	1,834	
Total		3,459
Persons transported in ambulance		160
Persons transported in police cars to hospitals and doctors' offices		39
Radio messages sent out by base radio station, KCA-446		5,330
Restitution made in cases, order of Court		$756.34
Restitution made through department		$641.21
Special attention requested by owners of unoccupied homes		253
Special police details		645
Street lights reported out to Brockton Edison Company		133
Stolen property recovered by department, valued at		$10,689.20
Sudden deaths investigated		3
Summer homes inspected, number of inspections		765
Summonses served for other departments		180
Teletype messages sent		133
Violation notices sent, Chapter 90, Section 29A		134

APPRECIATION

On April 6, 1960 I will have had the honor of serving the Town of Cohasset as Chief of Police for thirty-three years.

During that period we in the police department have dedicated ourselves to the task of helping Juveniles by keeping them out of court thus saving them from having a court record for the remainder of their lives. In cases of adults we have, during this time, settled many problems out of court.

Therefore, our arrest record over these years has been kept at a minimum.

To all of our Citizens, the Clergy and to the Superintendent of Schools and his fine staff we are most grateful for the help given to this department in our effort to practically eliminate Juvenile Delinquency in this community.

To your Honorable Board may I once again express my appreciation for the splendid cooperation you have always given this department.

HECTOR J. PELLETIER, Chief of Police

REPORT OF THE FIRE DEPARTMENT

In the year 1959 the Fire Department responded to 324 emergency calls. Of this total 62 were bell alarms and the remainder, 262, were still alarms.

A summary of these alarms is as follows:

Buildings	29
Grass, brush and dump	86
Aid to persons, first aid, resuscitation, etc.	29
Investigations of smoke, gas and other hazardous conditions	38
Mutual Aid to Scituate	6
Mutual Aid to Hull	6
Mutual Aid to Hingham	6
Electrical fires	3
Flammable liquids and gases	11
Needless, accidental and false alarms	18
Vehicles, boats and accidents	21
Miscellaneous	71

To cope with these fires and emergencies it was necessary to raise 1,187 feet of ladders, lay 38,500 feet of hose as well as use the many and varied other pieces of equipment maintained by the Department.

The apparatus and equipment of the Department is in excellent condition, with the exception of the 1937 pumping engine still in service. When this engine is replaced the apparatus of the Department should be good for several years before replacement is necessary.

An intensive training program was carried on from April to August and the results were most satisfactory. Classes were carried on each Wednesday night and Sunday afternoon during this period. Every tool, appliance and piece of equipment was demonstrated and used as it would be on the fire ground.

As a result of the action of the Town Meeting of 1959 two additional inhalator-aspirator-resuscitator units were added to the Department. These were placed in service at the Beechwood and North Cohasset Fire Stations and all personnel is trained and ready to place them into operation when needed. In this past year they have both been used on several occasions and have already proven their worth in less than one year of operation.

For the year 1959 the value of the property, real estate, vehicles, and personal property exposed to fire was . . . $239,200.00. The insured and un-insured loss to this property amounted to less than 07% of this figure. Carrying these figures a little further indicates a per capita fire loss of slightly less than $3.77.

There isn't much that can be bought for five cents today, but the Citizens of Cohasset for less than 5¢ per day receive the services of . . .

57 fire fighters	3 pumpers	1 aerial ladder	1 squad rescue	1 forest fire truck
. . . on a 24 hour a day basis			. . . 365 days per year	

In conclusion may I recommend for your consideration the following.

1. The construction of a modern Fire Headquarters building housing the personnel and equipment of this Department.
2. The replacement of the present 1937 Maxim pumping engine presently in service at North Cohasset.
3. Two additional permanent firefighters to help maintain the operating personnel at a safe and efficient level.

My sincere thanks and appreciation to the other Town Departments who have aided this Department in the past year.

It is with a great deal of pride and satisfaction that I wish to extend to the Officers and Men of the Fire Department my sincere thanks and appreciation for their cooperation and skill in a job well done.

To the Honorable Board of Selectmen and the many citizens who have aided the Fire Department my sincere thanks.

I would like to extend the thanks and appreciation of the Fire Department to Mr. Edwin A. MacLean for the manner in which he carried out his duties as a Call Firefighter for the past 27 years.

CHARLES PIEPENBRINK
Chief of Fire Department

CIVIL DEFENSE REPORT

The tenth year of civil defense in Cohasset brings us to a revision of operations planning to meet the needs of the missile threatening period. This was forecast in the Cohasset Operations Plan delivered to your home last February. As the current Bulletin #17, now being distributed with this year's Town Report, explains, the first move in defense depends upon SHELTERS. The short warning time before a missile attack (we can not hope for more than 15 to 30 minutes) makes evacuation impossible.

Survival insurance now means one of two actions: (1) If you have a good cellar (most of it underground) you should improve its defense for fallout as much as possible (see Bulletin #17) or (2) Prepare your family for a quick drive to one of the Cohasset public shelters now becoming available in the Cohasset area of the Naval Ammunition Depot. Fortunately for our town, there are 20 large magazines inside the old Cohasset boundary being emptied by the Navy. They are 50 by 100 ft., ceiling 14 ft., built of heavy concrete and covered with two feet of earth. They are well made for sheltering from fallout, blast and heat, with room (for survival) for 200 persons each. Ventilation will be improved and fallout filters added.

The outstanding event of the year came during the storm of December 29th when the flood tide brought disaster to 200 families in the Kenberma section of Hull, and our amphibious "Duck" shared effectively in the rescue work. We were pleased to receive a fine letter from the Hull selectmen with this closing sentence: "Such unselfish cooperation is indeed heartwarming and the sympathy you demonstrated by giving of your time and equipment is deeply and genuinely appreciated." There was also a commendation from the State Director of Civil Defense ending as follows: "I hope we never have occasion but Civil Defense will always stand ready to return the favor."

And now, after ten years in this assignment, your director believes it is time to bow out in favor of a very well qualified deputy, who will take over after the Town Meeting. Please give him your continued cooperation.

WALTER H. LILLARD

REPORT OF THE BOARD OF PUBLIC WELFARE

During the year there were 70 cases aided under Old Age Assistance at a cost of $95,081.11. $29,994.63 was received for this category as Federal reimbursement and $42,748.93 from the State, making the cost to the Town $22,337.55. On December 31, 1959, there were 59 active cases.

Under Aid to Dependent Children for 1959, 6 cases, representing 17 persons, were aided at a cost of $8,741.40. Federal reimbursement was $3,288.00; State $2,783.93. Cost to the Town $2,669.47. On December 31, 1959, there were 3 active cases, 10 persons.

There were 7 cases aided under Disability Assistance in 1959, total cost $4,894.55. Federal reimbursement $1,945.00, State $1,481.96, cost to the Town $1,467.59. On December 31, 1959, 6 cases active.

Medical payments of $51,634.93 for the three categories have been included in the totals above.

During 1959, 8 cases, representing 25 persons, were aided under General Relief. 5 cases were closed or transferred, leaving 3 active cases, 14 persons, as of December 31, 1959.

Total salaries paid to The Director of Public Assistance and the clerk was $6,916.00, total reimbursement $3,077.04 leaving the cost to the Town $3,838.96.

HELEN E. SCRIPTURE, Chairman

REPORT OF THE BOARD OF WATER COMMISSIONERS

The Board of Water Commissioners in the past has pointed out to the citizens of Cohasset the many advantages of metering. The year 1959 has finally resulted in financial evidence of the wisdom of metering the water system of Cohasset. A partial payment of $2500 was made on account of advances by the Town to the Water Department. Revenue committed was approximately $98,000 while surplus increased approximately $7400 after the $2500 partial payment to the town.

The Water Department is on a solid financial footing. It is paying its way and supplying a vital service to the town. Maintenance and system improvements are being carried out efficiently and within our budget.

The vote of the March Town Meeting regarding the safeguarding of the Lily Pond water supply has not been completed because of unfinished legal proceedings.

We wish to call particular attention to the citizen action in the Beechwood area and thank them for alerting us to a potential source of polution to our water supply.

JOSEPH PERRONCELLO, Chairman

SEALER OF WEIGHTS AND MEASURES

I herewith submit my report as Sealer of Weights and Measures for the year ending December 31, 1959.

All weighing and measuring devices have been tested: 114 were sealed, 13 adjusted and 3 condemned.

The amount of $98.65 for sealing fees was collected and paid to the Town Treasurer.

GORHAM L. BATES, Sealer

REPORT OF THE HIGHWAY SURVEYOR

The highway work began in the spring with the usual routine. Catchbasins and drains were cleared out. Streets were cleared of sand by power sweeper. New fence posts were set and painted. Many street signs were repaired and painted. Eighteen standard catchbasins were installed. Approximately twelve hundred feet of 10" and 12" drain-pipe were laid. In many sections where pipe could not be laid, trenches filled with 2" stone were used. Four miles of road were resurfaced with a substantial road mix. Money for this work was provided by three Highway articles, Chapter 90 Maintenance Funds and Highway General Funds. This program of drainage and resurfacing should be continued each year.

The new Tractor, with backhoe attachment, has been a great help in the drainage work and in the loading of sand and snow.

I wish to thank the citizens of Cohasset and Town Officials for their helpful co-operation during the past year.

LOUIS C. BAILEY, JR., Highway Surveyor

REPORT OF THE WIRE SUPERINTENDENT

The following report of the Wire Department is submitted herewith:

New boxes have been added to the Fire Alarm System, and close maintenance has been performed on existing fire-alarm boxes.

The schedule of testing one box each week has proven very beneficial.

New copper wire has been run to replace obsolete iron wire on the Fire Alarm System.

The System is in reasonably good order and more improvements will be made in 1960.

Police emergency generator and traffic signals are checked regularly and are in good condition.

All electrical maintenance and repairs of all Town buildings and Departments are continuing to be performed by this Department.

Civil Defense signals and generators have been kept in proper operation and repair by the Wire Department.

Co-operation of the Brockton Edison Company has been very satisfactory in complying with this Department's requirements in regard to distribution of their equipment.

Proper inspection of all electrical contractors' work has been performed by the Wire Inspector.

EDWARD P. MALLEY, Superintendent of Wires

REPORT OF THE TREE WARDEN

Work of a routine nature has continued on the shade trees of the town.

Five large trees, dead or in dangerous condition, were cut.

Dry weather of several seasons ago and restricted root space has caused die back in large maples and considerable pruning was done last summer.

Extreme cold of last winter caused the loss of a few trees of questionable hardiness but most young trees planted in recent years are doing very well.

Twenty-six trees of various kinds were planted during the year.

Roadside brush has been cleared where necessary and grass along roadsides has been cut and cleaned up.

Suggestions for planting locations and information of trees needing attention are welcome.

HOWARD BATES, Tree Warden

REPORT OF THE MOTH SUPERINTENDENT

All trees were sprayed in early June with D.D.T. to control chewing insects.

Special sprays were used at appropriate times for insects and disease on particular trees.

Damage from the imported willow beetle was reported and trees sprayed.

White oaks were attacked by the oak leaf miner and a severe outbreak of oak leaf skeletonizer occurred in the Little Harbor area. Sprays of D.D.T. on June 1 and Sept. 1 should be applied this year to control anticipated outbreaks.

Elms were sprayed in August with Malathion to control aphids and mites.

Poison Ivy control was continued.

DUTCH ELM DISEASE

Dormant spraying of all elms that could be reached by truck was completed by Mid-April.

Ninety-eight elms were found to be diseased, the smallest number since 1951. All diseased trees will be cleaned up by Spring.

HOWARD BATES, Moth Superintendent

REPORT OF THE SOUTH SHORE MOSQUITO CONTROL PROJECT

Submitted herewith is the report of the South Shore Mosquito Control Project of its activities in the Town of Cohasset for the year ending December 31, 1959.

The Town of Cohasset appropriated $4500 for mosquito control in 1959.

The basic program of control continued to be based on drainage in the off-season and larvaciding of all areas found to be breeding during the mosquito season. This program was supplemented by ground application of D.D.T. dust to selected areas during the period when the swamps were frozen. Fog generators and a mist blower were used to combat flying mosquitoes.

The cumulative effect of the work of past winters has changed the work of the Project's crews. The winter dusting has stopped the breeding in many small places, making it possible for the crews to contend better with those left and to search for hitherto unnoticed spots. The drainage has eliminated some crew spraying and much air spray acreage, thus making it possible to absorb higher costs, deal with new breeding areas found or created, and yet keep the yearly budget requests the same.

In the Town of Cohasset the following ditch work was done: 1650 ft. of ditches cleaned and 470 ft. reclaimed.

The record breaking rains of early, through mid-summer added to our summer spray season. These rains coming during the Culex (house mosquito) breeding season, this specie preferring to breed in and around residential areas and in man made receptacles (such as tin cans, bird baths, tires, etc.) increased the above normal population of this fierce biting pesty mosquito. These rains also caused areas normally dry in summer months to reflood, adding to our Vexans population. These, along with other problems, gave us one of our heaviest mosquito years.

However, the Project tried maintenance, their method of operation as in other years, giving priority in this order:

1. Drainage of salt marsh and fresh water areas,

2. Larvaciding of all breeding areas (spraying) air, power sprayers and hand spraying,

3. Adulticiding (fogging and mist blower).

In spite of these in a stepped-up form, mosquitoes were a much talked of problem throughout the summer. However, conditions

would have been much worse without mosquito control, as others will bear out in areas outside of mosquito control districts.

Eastern Equine Encephalomyelitis in south New Jersey rose to an epidemic stage, which should tend to stress to taxpayers of the area the need for a continued mosquito control program, until we can find out for sure if the mosquito is the carrier and to attack and control these.

The spring spraying of all fresh water swamps too large to be treated by hand was done in the latter part of April and first of May.

As was done last winter, some aerial applications of dusts will be made. This procedure reduces the spring spraying which must be fitted into the few days in April suitable for air spraying. Last winter 1487 acres were aerial dusted in the Town of Cohasset.

The Project wishes to acknowledge the help received from officials and departments of the Town and sincerely hopes that the benefits derived by these departments as a result of this cooperation are as great as those derived by the Project.

HOWARD BATES, Commissioner

REPORT OF THE RECREATION COMMISSION

The main events which were promoted by the Commission during 1959 were as follows:

1) Construction of 2 first class all weather tennis courts.

2) Institution of a recreation program for children in the Beechwood area, which operated 5 days per week for 6 weeks, and served an overall attendance of 732 children, or on the average, 26 children per day. This program was arranged to give children from 4 to 14 years of age planned leadership in training, and competitive activities.

3) Initial steps were taken to make the Spring St. end of the Elms Meadow usable for safe skating.

4) The recreation program at Hull St. playground was continued in cooperation with Hingham, as it has been in the past.

The Recreation Commission was particularly pleased by the splendid cooperation by all those concerned with the program started in Beechwood during 1959.

We wish to thank the townspeople for their cooperation in making all of this possible.

COHASSET RECREATION COMMISSION
HERBERT TOWLE, Chairman

REPORT OF THE BOARD OF HEALTH

The Board of Health has expanded its services in 1959, especially in the area of sanitary control and inspection. The increased time required for field duties has been provided by services of three individuals with training and experience in public health. Mr. Joseph Waldron, full-time Agent for the Town of Hull, has worked one day a week since April 20; Mr. Thomas Kearns, Executive Health Officer of Hingham, who has worked 105 hours on an hourly basis when available; and the Chairman, who has supplemented this work as necessary, sometimes to the extent of thirty hours per week in the summer. Although sufficient money was appropriated to pay a Health Agent two days a week it was impossible to find a qualified person available for that amount of time and this year's experience has shown that two days are not sufficient for completion of necessary duties. Members of the Board have met every week and have attended meetings of various public health organizations including one course in public health administration.

SANITATION

Sewage Disposal

The mounting problem of sewage disposal has been attacked along several lines: drafting of new regulations which went into effect June 4, 1959, requiring application for permit before the start of any construction; closer attention to design and specifications of sewage disposal systems based upon percolation tests and other pertinent data; inspection of works before back-filling; closer follow-up in the investigation and abatement of nuisances; use of consulting engineering services on difficult land sites; preliminary updating of the Camp, Dresser and McKee report and other aspects of the general sewage problem in Cohasset by Mr. Clarence I. Sterling, Jr., Sanitary Engineer.

Food and Restaurant Sanitation

More frequent inspections of restaurants with laboratory tests of bacterial count on dishes and silverware have been made by Mr. Waldron. On May 19th, a meeting on Food Sanitation was attended by representatives of all the school cafeterias and seven of the ten restaurants. At the invitation of Mr. Carzis, a similar meeting was held October 5th for personnel of his restaurants. At both these meetings, Sanitarians from the Mass. Dept. of Public Health presented films and conducted discussion on food handling.

Town Dump

Mr. Charles Stoddard, who served as Custodian for thirty-four years, retired as of November 15, 1959. The Board of Health thanks

him for his interest and cooperation during his many years of service.

Mr. Manuel P. Silvia was appointed to the position and started his duties on November 17, 1959.

On October 1, new rules and regulations became effective. The Town Dump is now open 8:30 AM to 12 Noon and 1 PM to 5:30 PM daily except Mondays and holidays. Conditions are improving with use of the Dump confined to supervised periods. A rat poisoning program was started on October first using specially constructed bait boxes. As a result, the rat population has been markedly reduced.

Licenses and Permits Issued	
Sewage Disposal Permits for new construction	37
Sewage Disposal Permits for old construction (repair or extension)	18
Milk and Oleomargarine Licenses	23
Others	11

Inspections and Investigations	
Nuisance complaints	104
Nuisance abatement orders issued	22
Dye tests (positive 20)	42
Nuisance investigations and follow-up	116
Water samples collected for lab. exam.	19

Samples of milk were taken regularly by Mr. Waldron, Milk Inspector, from stores and trucks selling in Cohasset. Laboratory analysis proved all samples met Massachusetts standards for butterfat and bacterial content.

COMMUNICABLE DISEASE CONTROL

Cases of Communicable Disease Reported in 1959	
Chicken Pox	30
Dog Bite	18
Infectious Hepatitis	3
Measles	4
Mumps	8
Monkey Bite	1
Scarlet Fever	2
German Measles	2
Infectious Encephalitis	1
	69

Immunization

As of October 1, 1959, immunization against diphtheria, whooping cough, and tetanus (triple vaccine), plus Salk vaccine protection

against poliomyelitis is being provided in the Well Baby and Well Child Conferences. Most infants and pre-school children receive their immunization injections through the services of their family physician or pediatrician. The annual Spring Immunization Clinic will be omitted.

Immunization with either triple or double vaccine (diphtheria and tetanus) was offered throughout the Cohasset School system through the cooperation of the Board of Health and the School Health Department. A total of 902 injections were given in this program which will be continued through having booster immunization available for students in the fifth and eleventh grades.

The Board of Health assisted a committee of Cohasset physicians in providing a low-cost polio vaccine "clean-up campaign" held at the Deer Hill School on Saturdays, June 6th and June 27th. A total of 922 doses were given.

Public Health Nursing

Mrs. Olive Wheeler, R.N. (full-time)
Mrs. Doris Bartels, R.N. (Jan. 1 - Nov. 30)
Mrs. Myrtle Medeiros, R.N. (Nov. 30th on)

Statistical Report	New Cases 1959	Visits
Health Guidance		
1. Maternity	76	
2. Antepartum		255
3. Postpartum		72
4. Newborn	70	139
5. Infant	92	407
6. 1 - 4 years	92	996
7. 5 - 14 years		26
8. 15 - 19 years		8
Tuberculosis	1	9
Tuberculosis supervision contacts		172
Acute Communicable disease	51	98
Immunization	267	420
	649	2602

Total number cases carried - 1171.

Total number nursing hours in clinics - 299.

Well Baby and Well Child Conferences were held on the first and fourth Tuesday morning of each month from 9:30 AM to 12 Noon. Dr. Murray Pendleton and Dr. Freddie Peterson were the visiting pediatricians. A total of 307 infant and pre-school visits were made. 29 doses of triple vaccine and 24 doses of Salk vaccine have been given,

and 23 tuberculosis patch tests applied were all negative. 27 children were referred from Conferences to Family Physician, Dentist or Hospitals.

The public health nurse attended 27 sessions of the Norfolk County Tuberculosis Hospital Out-Patient Dept. with 55 Cohasset patients.

The follow-up program of pupils having had a positive Mantoux test in the school program has been continued and transportation furnished if needed. All x-rays were reported negative.

Social Case Worker

Nine Board of Health cases received service from Mrs. Frances Wright, of Social Service League. Four of these families have received intensive casework help.

Dental Clinic

A report of the Dental Clinic will be found in the School Dept.'s section of this annual report.

Acknowledgments

On many occasions the Board has solicited and received very prompt advice and assistance from the Selectmen, other Town Officials and the Town Departments. Personnel in the Health Department have been most cooperative and many individual citizens have all contributed to an excellent spirit of team-work producing a more efficient and extensive public health program for the benefit of the Town.

ROSEMARY MacISAACS, Chairman
EDWARD E. TOWER, Secretary
RICHARD B. SINGER, M.D.

REPORT OF THE PAUL PRATT MEMORIAL LIBRARY

During the year 1959 the Library has continued to serve the people of Cohasset, and some one hundred out-of-town borrowers, to the best of its ability and in an ever increasing capacity; thus reflecting the current trends in our present day civilization. Our statistics for the year show an increase in the circulation of juvenile literature, and a more moderate upward trend in the adult. There is a continued upward trend in the demand for reference material in both departments.

In the past year we have added three units of double-faced shelving in the young people's room and a single-faced section in the adult room for reference books. We are continuously adding books for reference and study for the young people to keep up with the increased demand from the schools. Each year the Library feels more and more the impact of the growth of our school population and the increased use of our facilities because of this growth.

In spite of the above mentioned inroads on our book budget, we have managed to cover a wide range of subjects for our adult borrowers. Funds for books in a public library must of necessity cover a wide range — everything from reference, the sciences, the arts, history, etc., to all types of fiction and books of current interest.

During National Book Week in November we supplied the classrooms of the grade schools with posters and bookmarks to be distributed to the children. We have carried on our policy of having Library instruction each year for the children in the fifth grade, and have continued our story hour on Saturday mornings for the very young.

At present, we are in the midst of a shelf reading, or Library inventory, and we hope next year to be able to give an accurate account of the total number of volumes in the Library.

Statistics for the year are as follows:

Adult circulation	45,282
Juvenile circulation	32,344
Total	77,626
New registrations	454
Registrations withdrawn	274
Books added	1,506
Books withdrawn	555

REPORT OF THE PLANNING BOARD

The growth of Cohasset continues to be reflected in the number of plans presented to the Planning Board. Approximately 35 new lots were made available for building as a result of plans presented to the board for endorsement as not requiring approval under the subdivision control law. In addition, one new subdivision containing 21 lots was approved and is currently under development. Final release was issued in connection with another development of 10 lots.

The board is concerned with the problem of proper development of much of the town which lies in back areas where there is little or no land abutting on highways and accepted streets. The development of these areas, one or two lots at a time, (which the board has no choice except to endorse), has as its total effect the creation of a subdivision in which a dozen or more houses may be located on a private drive or way which is narrow and dangerous and does not provide proper access for fire protection. In other cases where such areas are developed in their entirety as subdivisions the developer's access problems for streets and utilities becomes progressively more difficult of solution. The problem is the more serious because it most often occurs in some of our most valuable land areas near the waterfront and on the large estates, which continue to be subdivided. The board urges any who contemplate buying, selling, or developing land of this nature to meet with the board to work out beforehand the best possible solution.

The board is very pleased with the progress of Master Plan studies being conducted by Mr. Allen Benjamin under a Federal assistance program authorized by the town. After a late start, due to an abundance of applications for funds from numerous Massachusetts towns, Mr. Benjamin has accomplished a great deal in the past few months, and some of the results of these studies will be made public soon. A report of school facilities, done by a special consulting group, has already been released to the School Department.

The board has sent representatives to regional planning meetings initiated by the Planning Board in the Town of Hull. These meetings have been of an informal nature to discuss matters of mutual interest to the various towns in the area, and to explore the possibility of forming a regional group on a formal basis.

The board has also appointed two representatives to the Metropolitan Planning Council at the request of the Selectmen and is keeping abreast of developments in that direction.

Cohasset Planning Board

BURTRAM J. PRATT, Chairman

REPORT OF THE PERSONNEL COMMITTEE

The administration of the Personnel Classification and Compensation Plan continued during the past year with the Personnel Committee meeting regularly on the first Monday of each month and at other times as required. The only change in membership of the Committee was the appointment of Mr. William Nason to fill the expired term of Mr. Eric G. Pearson.

All meetings have been and will continue to be open to the Town employees and all other citizens of the Town.

The Committee has maintained current data on wage levels and other conditions of employment in nearby towns and also other towns within the Commonwealth and is prepared to make recommendations to the Town Meeting on these subjects.

Membership in the Massachusetts Municipal Personnel Boards Association during the last year has assisted the Committee in its duties.

Throughout the year, the department heads and employees of the Town have assisted and co-operated with the Committee on many occasions, and this relationship has been very much appreciated. All requests have been promptly considered and acted upon.

It is felt that the systematic, orderly, and conscientious treatment of the Town's personnel problems has been of considerable assistance in the administration of Town affairs.

EDWARD J. DILLON, Chairman

REPORT OF THE FIRE AND POLICE STATIONS BUILDING COMMITTEE

At the 1959 Annual Town Meeting you appropriated the sum of $5,000.00 and authorized your Fire and Police Stations Building Committee to engage an architect and such other consultants or engineers as may be necessary or advisable and to prepare preliminary plans and estimates of cost, and to report its findings at the 1960 Annual Town Meeting.

It was the unanimous opinion of the committee that the most desirable location for the project be the site of the former Osgood School on Elm Street.

Your Committee conferred with Fire and Police Authorities in many Communities and visited and inspected a number of new buildings. Representatives of numerous architectural firms were inter-

viewed. The contract for professional architectural services was awarded Messrs., Eastman Studds and Irwin D. Matthew, Architects, Cohasset.

The basic specifications given architects were:

1. That it was imperative that the citizens of Cohasset obtain the maximum value of their tax dollar.
2. That the design of the buildings be in keeping with the colonial atmosphere of Cohasset.
3. That the architecture of the buildings be in conformance with the surrounding residences to protect existing property values.
4. That the buildings be designed to provide maximum modern protective services.
5. That construction be of the nature both to provide for the long life of the buildings and for the expected expansion of the Town.
6. That sufficient land area remain for a possible future town office building.
7. That the existing trees on site be retained as far as possible.

The architects have submitted preliminary plans which your Committee feels reflect the desires of the Citizens of Cohasset and which have received the unanimous approval of the Board of Selectmen.

The necessity for new Police and Fire Stations has been realized for many years, but action was necessarily delayed and consideration given to other more pressing problems. The present buildings are old, inadequate, and costly to maintain. The 1959 inspection report from the Massachusetts Department of Public Safety has practically condemned both buildings — insisting that if new buildings are not constructed, major and expensive alterations of existing stations must be undertaken in the immediate future.

Thoughtful consideration was given to the advisability of one building to house both Police and Fire Departments, but your committee after consultations with the Advisory Board, Planning Board, the Planning Board's Professional Consultant and the Architects concluded, that for sound operations and economic use of proposed site, separate buildings are desirable.

The preliminary estimates call for a capital expenditure of approximately $335,000.00 which includes complete furnishings, equipment and landscaping.

THOMAS L. O'KEEFFE, Chairman

REPORT OF THE COHASSET INCINERATOR COMMITTEE

At the 1959 Town Meeting, the Incinerator Committee was continued, and at the same time the Town voted an amount of $900.00 to be used by the Committee for an engineering survey of the incinerator question if and when the other towns of Hingham, Hull and Weymouth voted to pay proportionate shares of the cost of such survey.

Since our last Annual Meeting, no money has been appropriated by either Hingham, Hull or Weymouth for this purpose. Your Committee understands that there will be an Article in the Hull Warrant requesting the appropriation of money to be used for this purpose. The Chairman of the Incinerator Committee in Hingham, however, has advised your Committee that Hingham will make no move in this direction this year, and likewise it is understood that Weymouth will do nothing. Weymouth's trash and garbage disposal problem has been eased somewhat by the purchase by the Town of the town dump from private owners. Additionally, Weymouth has bought other land to be used to extend the dump, so it seems likely that Weymouth will not face up to the incinerator problem for several years at least.

At the request of the Hull Selectmen, Mr. T. Clark Perkins, Representative of the Third Plymouth District in the General Court, has introduced legislation designed to modify slightly the requirements of Chapter 642 of the Acts of 1958. Chapter 642 provided that a South Shore Incinerator Authority would be established when and if all of the Towns of Cohasset, Hingham, Hull and Weymouth voted by majority vote at a regular or special meeting to establish such Authority. Under the existing legislation, an Incinerator Authority could not be established by any two or any three of the towns, but only by all four of the towns. In view of the obvious lack of interest with regard to incineration in Hingham and Weymouth, it has become apparent that if any two or three of the towns should desire incineration, modifying legislation would be required, and this has been provided for by Mr. Perkins' proposed Bill, known as House No. 672. As of the date of this report, it has not been passed, but it is expected that it will in due course be voted and approved by the Governor.

In the expectation of such modified legislation, your Committee has deemed it necessary to request the Town to modify the authority granted the Committee at the last Town Meeting to the extent that the Committee at its discretion may use all or any part of the $900.00 authorized at the last Town Meeting, to pay for a joint engineering survey on incineration in conjunction with an adjacent town or towns which has appropriated a proportionate amount of money for this purpose. It is not intended that the Cohasset Incinerator Committee be compelled to enter into an engineering survey with any other town

which may vote money for that purpose, but that your Committee at its discretion may cooperate in having such survey made if the Committee deems it expedient.

The Committee therefore urges that you approve the Article in the Warrant on this subject so that the Committee will be in a position to get full information on the incineration problem if Hingham or Hull or both should vote a suitable appropriation.

Your Committee has followed with interest the building and operation of incinerators in other towns in Massachusetts and can report that it seems to be the almost unanimous opinion of the voters of such other towns that the installation of an incinerator has been a well worthwhile move. The costs of operation on a per capita basis are surprisingly low, being considerably less than the charges of private contractors for removing trash and garbage from households.

Generally speaking, it may be said that for efficient collection and incineration a population of at least 15,000 persons is necessary. This means that Cohasset with a permanent population of perhaps 6,000 would probably be unwise at present to build its own incinerator, but it is thought that an engineering survey might show it well justified to build an incinerator for Cohasset and Hull, particularly in view of Hull's large temporary summer population. However, the details of such matters can only be properly developed by a professional survey which could be undertaken when one or more of the other adjacent towns votes sufficient money to pay its proportionate share and provided, of course, that Hull or Hingham would ask Cohasset to join in the project.

It is thought desirable that the Committee be continued.

C. YARDLEY CHITTICK, Chairman

REPORT OF THE HARBOR IMPROVEMENT COMMITTEE

The allocation of $217,000. of Federal Funds for dredging in Cohasset Harbor, as recently announced from Washington, is very good news for Cohasset. Together with $15,000 from the Town and $15,000 from the State this will allow a substantial amount of dredging work to be done.

This money will be spent on much needed dredging of the channel and to increase the anchorage area adjacent to Bassing Beach. Coupled with the Bailey's Creek project recently completed, this will put the harbor in very good shape and greatly enhance its usefulness both for commercial and pleasure boating.

A survey of landings and wharfs reveals that the wharf at Government Island is in need of substantial repairs. The committee feels that the town should continue to set aside a sum of money each year for dredging and improvement projects, including wharf and landing facilities.

The committee has considered, and given its endorsement to, a proposal of the Recreation Commission to set up a small boat facility at Government Island.

Harbor Improvement Committee

GORDON E. FLINT, Town Collector

TOWN ACCOUNTANT'S REPORT

I herewith present my annual report in accordance with Section 61 of Chapter 41 of the Tercentenary Edition of the General Laws, for the year ending December 31, 1959, showing in detail the appropriations, expenditures, and the receipts from each source of income. Also a recapitulation sheet and a balance sheet showing the assets and liabilities and trust accounts.

In accordance with Section 53 of the Tercentenary Edition of the General Laws, the records of permits and licenses issued by the Selectmen and other departments receiving money for the Town or committing bills for collection were examined and checked, the reported payments to the Town Collector and Town Treasurer being compared with the Treasurer's recorded receipts, also the savings bank books and securities representing the investment of the several trust funds in the custody of the Town Treasurer. I have further reconciled the accounts of the trust funds in custody of the Trustees of the Cohasset Free Public Library and Paul Pratt Memorial Library.

I certify that during the year, I made a complete audit of the books and accounts of the Town Collector and Tax Collector, and the outstanding accounts were listed and proved with the respective accounts.

During the year a complete audit was made of the books and accounts of the Cohasset Water Department and the outstanding accounts were listed and proved with the respective ledger accounts.

In closing, I wish to take this opportunity to thank all departments for their sincere co-operation this past year.

MALCOLM H. STEVENS,

Town Accountant

SCHOOL CALENDAR — 1960

WINTER TERM

Begins Monday, January 4, 1960; ends Friday, February 19, 1960 for Kindergarten-12.

FIRST SPRING TERM

Begins Monday, February 29, 1960; ends Thursday, April 14, 1960 for Kindergarten-12.

SECOND SPRING TERM

Begins Monday, April 25, 1960. This term ends for the Kindergarten on Tuesday, June 14, 1960, and for the Deer Hill School and the Ripley Road School, grades 1-6, on Wednesday, June 15, 1960. This term ends for the Cohasset High School, Wednesday, June 22, 1960.

HIGH SCHOOL GRADUATION

Sunday, June 5, 1960

FALL TERM

Begins Thursday, September 8, 1960, ends at noon December 23, 1960.

HOLIDAYS

Good Friday — Friday, April 15, 1960
Discoverer's Day — Wednesday, October 12, 1960
Veteran's Day — Friday, November 11, 1960
Thanksgiving Recess, November 24, and 25, 1960

INFORMATION RELATIVE TO PUPIL ENROLLMENT

A child who is four years and ten months old on or before September 10 is eligible for enrollment in the Kindergarten. A pupil must be five years and ten months of age on or before September 10, to enter the first grade. Children whose birth dates precede the required dates by four months or less may be admitted following testing at a clinic sponsored by the School Committee. Pupils must present a birth certificate for initial admission to the Cohasset Public Schools.

1959 SCHOOL COMMITTEE REPORT

The Cohasset School Committee has tried during 1959 to continue thoughtful citizen direction of the town's public school system.

We have tried to give the professional staff scope and encouragement to provide an educational program that serves, as much as possible, the individual needs, interests and abilities of the pupils, demands an excellence in achievement, yet treats sympathetically the problems and uncertainties of childhood development.

We believe that our school administration, headed by a wise and capable superintendent, is providing such a program to an outstanding degree, and it is eager to explore new ways of better meeting the educational needs of our time and the future.

The most significant physical change in the past year was the opening of the new Junior High Wing and additional specialized

classrooms at the high school. This gives Cohasset an excellent high school plant.

Our school population is still growing. The recent report of an educational consultant to the Town Planning Board points up the growth potention of the future. The emphasis on excellence requires the maintenance and development of our teaching staff. We lack local facilities for specialized vocational training of those young men who would benefit from it.

These are problems to which the School Committee and school administration will direct their attention. Knowing the generous support of the town in the past, we shall continue to approach them with the conviction that the education of each new generation is the highest purpose of our society.

OSBORNE F. INGRAM, Chairman

REPORT OF THE SUPERINTENDENT OF SCHOOLS

The chief accomplishment of the year 1959, I believe, has been the important gain made toward the objective of a school situation which is adapted to challenge the interests and capabilities of each individual pupil. Although the public school must be concerned with quantity, it cannot and must not neglect quality.

The first problem of the administration and the teaching staff is to define clearly the school's objectives. Then they should develop techniques which stimulate, and formulate a plan of organization which makes practical a climate of scholarship to truly educate the individual. A thoughtful program of testing, attention to the group placement of the student, careful and constant curriculum revision have been the concern of the administration and staff. The results have been a much improved achievement record as measured by standardized test scores and a noticeable increased interest by students in quality of performance.

Special emphasis has been placed on better understanding of the program by parents. To this end, parent conferences have been encouraged and in certain areas have been regularly scheduled. The majority of parents have entered this program in a very cooperative spirit. Most parents understand that the object of frequent and frank reports from the school is for the purpose of helping the child.

The Parent Teachers' Association has devoted its program this year to the theme, "The School's Story" — an explanation in detail of our methods and philosophy.

A revival of the significance of some of the old-fashioned virtues such as honesty, trustworthiness, responsibility, and truth is in order, I feel. The administrators and teachers of the several schools have been urged to emphasize the value of these abstractions, and to use methods appropriate to the age groups they are teaching to inculcate these qualities in their students. The school can do little without parental cooperation in this, and we suggest that an initial step would be for the home and school to gradually hold a child to a sense of responsibility instead of assuming all of his responsibilities for him.

Important developments during the past year include:

(1) extension of the speech program, (2) increased use of educational television, including elementary French, (3) expansion of the elementary physical education program, (4) continued expansion of the advanced placement program in the high school, (5) introduction of the new high school physics course developed at M.I.T., (6) increased instruction for music at all levels, (7) continued growth of school libraries, (8) special instruction where needed at the secondary level, (9) and greater utilization of local resource materials and personnel.

There will be an opportunity to take steps to broaden our program at the high school level this coming year. Dr. James B. Conant in his report, "The American High School Today," recommends vocational training as a part of the curriculum of a comprehensive high school. Cohasset can offer this by joining with Scituate, Norwell, Hanover, Abington, and Rockland in the establishment of a regional vocational school. I recommend favorable action on this project when it is presented to the town.

The addition to the high school building was opened in September. It provides the necessary space for our expanding high school population. At present 520 pupils are enrolled in this school. This represents a gain of 82 pupils over the 1958 enrollment and coincides with the projections made four years ago. The figure is certain to increase for the next four years. At present the number of pupils in all schools is 1315. They are adequately housed in buildings well adapted to the program. In view of past experience, it would be absurd to predict that these facilities will remain adequate. The Cohasset Planning Board has provided an excellent study concerning possible growth in school population and recommendations for coping with it. I recommend that a continuing School Facilities Committee be established by the Town. This committee would study the problem of school facilities and take action as authorized by the town.

I believe that the best public school program is supported by an interested citizenry. I further believe that only by constant re-evaluation of our methods and organizational procedures can we stay adapted

to our changing world. I would endeavor to hold fast to that which has been proven tried and true. Although I am cognizant of the fact that Johnny and Jane have been impressed with the marvelous accomlishment man made when he invented the wheel, they are intensely interested that they are now living in an age which is calling them to outer space.

WILLIAM RIPLEY, JR.
Superintendent of Schools

REPORT OF THE SCHOOL PHYSICIAN

School Health this year was again generally good.

Physical examinations were performed on 710 of the 1315 students, with 31 new problems referred for further evaluation.

Vision and hearing tests on the entire enrollment resulted in 14 referrals for defective hearing and 48 vision failures.

Tuberculin tests were performed as usual on all pre-kindergarten, fourth, ninth and twelfth graders.

Urine examinations were made a part of the examination of all students checked in the High School.

Progress was made in the integration of children with physical handicaps into the regular school program with crutches, wheelchairs, hearing aids and other mechanical devices, a not uncommon sight in the various classrooms. This integration was of benefit both to the handicapped child who learned to function in a normal competitive environment and to his classmates who were taught consideration and enjoyed the many benefits that can accrue to those who help others.

The year was marked by the retirement of Miss Fanny James after twenty-seven years of devoted service to the welfare of the children at the Ripley Road School. We all miss her and wish her the best in her new life of busy activity with the youngsters of the town.

ROBERT T. SCEERY, M.D., School Physician

REPORT OF THE SCHOOL DENTIST

The following report of dental operations at Ripley Road and Deer Hill School Dental Clinics is submitted for the period from January 1, 1959 to December 31, 1959.

Restorations	
Silver Amalgam (with and without cement bases)	776
Synthetic Porcelain	44
Anodyne	17
Extractions	
Deciduous teeth	156
Permanent teeth	1
Prophylactic Treatments	118
Miscellaneous Treatment	9
Examination without treatment	101

Permanent restorations were by far the most emphasized in both clinics as is evidenced by the low permanent extraction rate. Due to modern high speed instrumentation with water cooling, fear problems are greatly minimized and work is accomplished at a quicker pace.

We wish to remind the parents of children in the Junior and Senior High Schools to honor the Dental Certificate sent out early in the year by the Board of Health. As clinic care ceases in the sixth grade, this is the only method we have to control oral health in these upper grades. We urge you to use your family dentist and to have this certificate signed by him by February 1st.

I wish to express my appreciation to Mrs. Rivers for her assistance throughout the school year.

WILLIAM G. MATTESON, D.M.D.
